Editorial...

The right of a citizen to invite into his home whoever he wants, or bar whoever he wants, is an accepted fact. However, if his choice of acquaintances is obviously limited by considerations of race or religion, he must be prepared to be thought ill of by his more enlightened neighbours.

This is the dilemma that is now facing Immigration Minister Fairclough who is in the process of revising Canada's Immigration Act, a document rooted in race prejudice and embarrassing to many Canadians.

No one would advocate that the gates be thrown wide open to all people. A quota system would obviously be needed. But it should be based on a philosophy more in keeping with modern mores.

Fortunately, Mrs. Fairclough has the means within that Act to decide who shall come in on a quota.

Why not determine it on educational or skilled labor grounds? The American Act requires certain immigrants to show they have a small nest egg to start out with. Mrs. Fairclough could also use this standard.

The important thing is to show that Canada does not prejudge the worth of potential immigrants by the color of their skin or the shape of their eyes.

Prime Minister Diefenbaker To Visit Japan

OTTAWA.—The Canadian Government recently informed the Japanese Foreign Ministry (Gaimusho) that Prime Minister Diefenbaker will visit Japan in November of this year. An invitation to visit Japan was extended by Prime Minister Ikeda of Japan when he officially visited Ottawa a few months ago.

When former Prime Minister Kishi extended a similar invitation during his tenure in office, Prime Minister Diefenbaker was unable to accept. This is the first time that Diefenbaker will have visited Japan on an official state visit.

Mrs. Diefenbaker is expected to accompany the Prime Minister.

The Foreign Ministry (Gaimusho) is also expecting the visit of Princess Alexandria, the daughter of the Duchess of Kent, from England in November.

To make matters even more complicated, Prime Minister Ikeda is scheduled to make a tour of four Southeast Asian countries also in November.

The Gaimusho is trying to arrange an itinerary for Prime Minister Diefenbaker's visit to Japan so that his stay will not conflict with the other commitments.

Can. Exporters Find Shoe On Other Foot

OTTAWA.—Canadian exporters are beginning to find the shoe's on the other foot. The Japanese may clamp down on some Canadian products.

Pulp and paper producers in Japan are pressing for higher tariffs on imports. Japan levies only five per cent on pulp and paper coming into the country, while Canada charges 22½ per cent.

Canada, as the world's greatest paper exporter, sold $8,000,000 worth of pulp to Japan in 1960.

Canada has import quotas on a long list of Japanese products, from plywood to transistor radios, and Japanese industry doesn't like recent reductions in the quotas.

Japanese pulp and paper producers are seeking a duty of 10 or 15 per cent on incoming paper and pulp.

Akihito and Michiko To Visit Asian Nations

TOKYO.—Crown Prince Akihito and Princess Michiko will make a goodwill tour of the Philippines, Indonesia and Pakistan next February, the Imperial Household Agency said this week.

The Japanese Imperial Household Agency and the foreign ministries of the three countries have begun discussion details of the young royal couple's forthcoming visits.

Akihito and Michiko will visit the countries to return visits made by the heads of these nations.

Indonesian President Sukarno has visited Japan annually during the past three years, Philippine President Carlos P. Garcia made a state visit to Japan in December, 1958, and Pakistani President Ayub Khan came to this country in December last year.

It will be the third official trip abroad for the heir-apparent and his wife. They made a goodwill tour of the United States from September to October last year and also visited Iran, Ethopia, India and Nepal from November to December last year.

The royal couple will visit the Philippines, Indonesia and Pakistan aboard a specially chartered plane and meet with the presidents of these countries.

They also will visit welfare organizations and historical sites, according to officials.

Consul Recalled By Japanese Government

TORONTO.—Mr. Ichiro Katakami, Consul of Japan in Toronto, has been recalled to Japan this week. Mr. and Mrs. Katakami and their family will leave for Japan via the United States at the beginning of October. His

new post will be as a Section Chief of the Economic Co-operation Division of Gaimusho. Mr. Katakami came to Toronto in June of 1959, succeeding Mr. Endo.

Japan Will Adhere To U.S. Treaty

TOKYO.—Premier Hayato Ikeda, in his reply to Soviet Premier Nikita Khrushchev, has refused to accept the Soviet contention that the U.S.-Japan security treaty menaced the Soviet Union and "other peace-loving states" and that it therefore should be abolished.

Mr. Ikeda's note was sent to the Kremlin this week in answer to the Soviet Premier's personal message delivered by First Deputy Premier Anastas I. Mikoyan Aug. 14 when he arrived here from Moscow to open the Soviet fair in Tokyo.

Mr. Khruschev raised in his message the subject of the security treaty and the foreign military bases in Japan and said that they were blocking the normalization of Japan-Soviet relations.

"Your Excellency is aware that the Japan-United States security treaty was already in existence at the time our two countries signed the joint declaration signed in Moscow in October, 1955 with the intention of normalizing our relations," Mr. Ikeda said in his note.

"Moreover, the joint declaration affirms," the note stated, "the inherent right of individual or collective defense provided for in Article 51 of the United Nations charter. It should be added that subsequently this treaty was rationally revised in accordance with the will of the Japanese people and thereby its purely defensive character, based on the United Nations charter, was further clarified.

"Such being the case," the note continued, "the Soviet Government's insistence that it cannot be indifferent to the existence of such a treaty because it menaces the Soviet Union and other peace-loving states and that it therefore be abolished is totally beyond the comprehension of the people of Japan."

Mr. Ikeda further said that "to interpret unilaterally and subjectively and to denounce the foreign and defense policies of another country and then to call on that country to change those policies is, I must say, quite inconsistent with the principle of non-interference in the domestic affairs of other countries which Your Excellency has stated as being the policies of the Soviet Government."

The Japanese Premier noted that the Soviet Government had signed a military alliance with China "with Japan as its objective" before his country concluded the security treaty with the United States.

Furthermore, Russia recently concluded a mutual assistance pact with North Korea "in complete contradiction with what your excellency has described as the position of your government," Mr. Ikeda said.

"These facts, together with the fact that the Soviet Union maintains military bases in Eastern European countries, are well known to the Japanese people," the note added.

Mr. Ikeda informed the Soviet Premier that Japan pursues freedom and democracy as the highest political ideals.

"Even if a country pursues a different political ideology from our own, we do not hesitate to establish neighborly and amicable relations with that country so long as it strictly observes at all times the principles of peaceful settlement of disputes, non-resort to threats of force, and absolute non-interference in the domestic affairs of other countries," he said.

Japanese Company Ties Up With Big American Firm

TOKYO.—Japan's Bridgestone Tire Co. will build a synthetic rubber manufacturing plant in Japan under a technical tie-up with an American firm, a financial newspaper reported last week.

The Nihon Keizai said Bridgestone and the Crawford Russel Co. of the U.S. would build the factory as a "pilot" plant.

If the plant proves successful, the paper said, Bridgestone and Crawford will build a second and larger plant designed to produce [illegible] tons of synthetic rubber annually.

Contemporary Japan

Gourmet Paradise

If you have the yen for raw fish or charcoal-broiled eels, hop a plane for Tokyo.

The world's largest city has established its reputation as a paradise for gourmets with restaurants that appeal to all national tastes.

The logical starting point, of course, is Japanese food. Speciality restaurants serve dishes which have become world famous, such as tempura (deep-fried sea food) and sukiyaki (thin-sliced beef cooked with vegetables).

For charcoal-broiled eels, follow your nose to a kabayaki restaurant.

Japanese cooking is prepared with an eye to bringing out rather than changing the natural flavor of basic ingredients. For instance, a favorite Japanese delicacy is sliced raw fish, served unflavored and just lightly dipped in a mixture of soy sauce and horseradish before eating.

The Japanese also insist on eye appeal with their food. Plain spinach is served with the same greenness as it grew in the fields, and with the boiled leaves rolled and cut evenly at both ends to stand in a white porcelain bowl.

On the other hand, if your yen calls for a standard western dish like roast beef, you can easily find a British or American restaurant. However, you may have to argue with your Japanese friends who will tell you that the world's finest beef is developed in Japan where the animals are fed beer and massaged by hand to achieve perfect marbling of the fat.

Tokyo has numerous international restaurants —Italian, German, French, Chinese, Spanish and so on.

Japan's geographical location also influences the variety of restaurants, providing the best and most interesting dishes from Russia, the four epicurean centres of China (Peking, Shanghai, Canton and Szechwan), and such specialized regional foods as Indian, Pakistani, Indonesian and Thai.

War Prisoners Released By Communist China

TOKYO.—The Japanese Red Cross said Communist China has released three Japanese "war criminals." They were released Aug. 15 and were expected to arrive in Yokohama yesterday, it was announced.

The Red Cross said a telegram from the Chinese Red Cross Society indicated the released Japanese prisoners left Tientsin aboard a Polish freighter.

They are Hitoshi Imayoshi, 54, former chief of the police bureau of the Manchukuo (Manchurian) government; Mitsuhiko Yokoyama, 59, former deputy chief of the Harbin Higher Court, and Ryosuke Saito, 69, former major general in the Manchurian army and commander of the Mutankiang Brigade of the Railway Guards Corps.

Imayoshi and Yokoyama had been serving 16-year prison terms and Saito was serving an 18-year term.

Giants Beat Yamadas Gain Playoffs

By RICK MATSUMOTO

After a five weeks lay-off due to poor weather and a default, the Giants met Yamada Studio in a sudden-death game for the third and last play-off berth, and walloped the Studio crew 9-2.

Ray Tani was the big man with the bat as he slugged a double and single. He also picked up two rbis. Al Masakawa banged out two singles and also knocked across two runs. Satch Tomihiro, Roy Tanaka, Ed Hisaki and Bob Miwa collected the other Giant hits.

Giant's pitcher Vic Kitamura was very effective, considering the fact that this was his first start of the year. He yielded only three hits in the 5⅓ innings he worked but had to give way to Roy Tanaka when when he ran into a bit of control trouble and loaded the bases in the 5th.

Satch Tomihiro played an outstanding game for the Giants in centrefield. On one particular play he turned his heels to the infield, raced back and pulled the ball out of the air.

For Yamadas, Nobby Fujino and Mitch Nishimura got the big hits as each doubled. Sam Kobayashi and Dick Tanaka collected singles.

As the play-offs get underway the Giants will meet the Busseis, while first place Main Auto waits on the sidelines to take on the winner. You can bet your bottom dollar that the Giants will be out to gain revenge over the Busseis, who claimed a much disputed default two weeks back, when one of the Giant players arrived late for the game. The Giants will be out to show the Busseis that the only real way to win a ball game is by scoring more runs than the opposition; not by claiming defaults.

The first game of the play-offs will start on Sept. 10th at Earlscourt Park at 9:30 A.M.

Vancouver Reports on British Columbia JCCA

By Vancouver Delegate

Although invitations had been sent to most groups in B.C. to send delegates to the B.C. Conference, including Steveston, New Denver, Greenwood, Port Edward and Revelstoke, only Kamloops, Winfield, Vernon and Vancouver were represented at Vernon. Not only was the attendance a disappointment to the Vancouver local, but the reports of the centres in attendance was also disappointing. Vernon is the only centre in the Interior which appears to be quite active and they are in the midst of completing a Japanese Canadian Centre.

It is difficult to report a definite conclusion on the discussion of the future of the JCCA. Every centre held the view that the JCCA is a necessity, but paradoxically they also thought it was not required and the ethnic organization in their locals was not justified.

Kamloops presently has a JCCA committee of five with no activities. When an occasion arises where work of the JCCA is required, this corps is supposed to rally people behind any such movement and seek assitance from other groups if necessary. Winfield does not even have a committee.

Opinions were expressed that those members of the Japanese community who will be active in the JCCA are also those people who participate in the activities of the general community. They thought that the time spent by these people in the activities of the general community is much more voluable to the Japanese Canadian society rather than limiting their interest to their ethnic organization.

The conference passed a resolution that although they cannot accept any quotas to assist the financial requirements of a national body, it was necessary, at least, to attend the National Conference and present their views thereat. The conference appointed Kar Kobayashi of Kamloops and George Fujisawa of Vancouver as delegates to the National Conference being held in Toronto today and tomorrow.

Fishing Lines

By OSCAR HATASHITA

RAINBOWS

Rainbows are starting to come up the Nottawasaga River with a dozen being taken last weekend. Mas Kondo was one of the lucky ones with a catch of three fish. John Sugai had some tough luck by loosing two fish at the Oxbow Rapids and another up near Angus.

Due possibly to the cold summer, the rainbow are a few weeks early and at the rate which they are travelling, they may make it showing in the streams near Allison before the end of the regular trout season which ends on Sept. 15th. The extended rainbow season will be to the end of November, (same as last year), with the limit being two fish.

Last year Kaz Kato won the HTJCAC Rainbow Trophy with a 9-lb fish. Wonder who will win it this year; with what size fish?!

ODDS AND ENDS

Art Okimura and Dick Isoshima were fishing up at Hay Bay near Picton and they report that fishing was "not bad", but there was a green scum on the water which makes the fish smell and unpalatable.

Silver Bass are still being caught at the Credit River, but not in the large quantities of June and July.

Pickerel are starting to hit in scattered areas. Every fall some of the boys do real well at Trenton with live minnows; and that time is just about due.

Bass are starting to hit according to a friend who has a cottage near Port Severn. They caught their limit of Largemouth Bass in one hour with the largest going at a whopping 6 lbs.

Frank Abe came home with a Muskie the other day. September and October are possibly the best time for Muskellunge and we should be getting some action pretty soon.

The HTJCAC has a raffle out and your generous support would be much appreciated.

MOVIE REVIEW

By LARRY TAJIRI

Frances Nuyen's role of Cindy, a Nisei girl suspected of being a spy in Jack Webb's production of "The Last Time I Saw Archie" is played mostly for laughs. The story is about a GI goldbrick, played by Robert Mitchum, who pretends to his superior officers that he's romancing Miss Nuyen because he suspects her of being a Japanese agent . . . "Two Loves," the MGM drama in which Nobu McCarthy has her most important role to date, will be the official U.S. entry in the Berlin film festival. Miss McCarthy ("how many Japanese actresses have an Irish name") plays a Maori girl in the picture which stars Shirley MacLaine and Laurence Harvey . . . Latest word on MGM's "Bridge to the Sun," which stars Carrol Baker and James Shigeta, is that this drama of a true-life interracial marriage has now been released. Release date was set back to give MGM more opportunity to publicize the movie.

Miyoshi Umeki's next motion picture will be "Eleven Is Heaven," her own life story. The girl from Hokkaido, Japan who became a singing star in the United States and won the Academy Award for "best supporting actress" as Katsumi in "Sayonara" will play herself in a production which Producer Ross Hunter is preparing for Universal-International release.

Miss Umeki is currently recreating her original Broadway interpretation of the Chinese picture bride, Mei Li, in Hunter's movie version of the Rodgers and Hammerstein musical, "Flower Drum Song." The picture, now shooting in Universal City, is the first high budget Hollywood movie in which all the major romantic roles are taken by Oriental players. Hunter has given star billing to Miss Umeki, James Shigeta as Wang Ta, Nancy Kwan as Linda Low (the role Pat Suzuki played in New York) and Jack Soo (Goro Suzuki) as Sammy Fong.

The budget for "Flower Drum Song" is $5 million and Hunter is to be congratulated for his courage in using performers of Asian ancestry in key roles. "Flower Drum Song" probably will be released around Christmas time. According to C. Y. Lee, the San Francisco newspaper man who authored the original novel from which the musical and the movie are adapted, says the film version adheres more closely to the spirit and plot of the book than the stage musical.

In Miss Umeki's next picture, "Eleven Is Heaven," which William Ludwig is writing, the plot reportedly will involve an interracial love affair. In real life Miss Umeki is married to Win Opie, a TV director. Incidentally, there is still talk of a TV series in which Miss Umeki will play the central role.

* * *

Broadway's Oriental cycle seems to be over for a while. At one time two years ago there were three productions ("Flower Drum Song," "A Majority of One," "The World of Suzie Wong") playing in adjoining theatres on New York's 44th Street and employing more than two dozen Japanese, mostly Nisei. However, Hollywood is on an Oriental kick.

Producer Steve Parker, whose Sachiko Productions is named for his (and Shirley MacLaine's) daughter has just wrapped up "My Geisha," in which British actress Coko Tami makes her debut in an American film. Miss MacLaine is starred as an American who masquerades as a Japanese geisha. Parker's next project also will have a Japanese setting.

Red Skelton's next picture will be "Kasa San," to be produced in Hollywood and Tokyo. The film was inspired by Skelton's experiences on a trip to Japan last year.

Hal Wallis will put "Tamiko," an interracial love story starring Laurence Harvey, into production next spring.

Meanwhile, the movie version of "A Majority of One," the Broadway play about a middle-age romance between a Japanese tycoon and Jewish widow from Brooklyn, is now filming at Warner Bros. with Alec Guinness and Rosalind Russell. An important feature role in the picture, the role of the Japanese houseboy, Eddie, is being played by Marc Marno who did it in New Cork. Marno, who is of French-Japanese ancestry, is making his movie debut. Tsuruko Kobayashi, also from the Broadway cast, has an important role.

Meanwhile, Masaichi Nagata, whose Daiei studios have produced such international prizewinners as "Rashomon" and "Gate of Hell," has discussed co-productions in Japan with Hollywood's MGM and Warner Bros.

寒い朝

『風邪で苦——という感じ?』

『そうでもありません。ママさんの方では、風邪でもなんでも、こっちをしめたりなさいませんですけど、こっちの方が勝手にそう感じさせられるんですわ。お人柄でしょうね。だからと云って、窮屈なわけでもありませんですけど……』

『ふーん。人間としての總合點數で、七十五點ぐらい——?』

『いいえ、八十五點はございますわ』

そういう噂話が聞えでもしたように、座敷の方から眞知子が息苦しげに咳(せ)き入る聲が聞えて來た。

『あっ、私、三輪醫院にすぐ電話するわ。先生が来るまで、ママに分らないようにして……』

とみ子は早速電話口に行って、ダイヤルをまわした向うには、重夫の聲が出た。

——ああ、重夫さんね。貴方いまおやつを食べてんでしょう。なに? 洋菓子——?アンコの入ったもの——? 私ンとこはシュークリームと紅茶。

ところでね、ママが風邪をひいたの。熱があって苦しそうなのよ。……それでお伺いするんですけどね貴方ンとこのパパ、やぶかい、たけのこじゃないのかな、でなかったら、ママを診て頂きたいんだけど……。どうもやぶくさいわね。そうなんでしょう……。

——ああ、ちょっと……

と云ったかと思うと、先方の電話口がからっぽになった氣配がした。受話器をオルゴールにかけたとみえて、『螢の光』のたどたどしいメロデーが聞えてきた。

(どうしたんだろうな、)

と、とみ子が不審に思って待っていると、間もなくオルゴールがやみ、また先方に人が出た。

——ああ、もしもし。とィかい?、僕、重夫だけど……。

——どうしたのよ、途中でいなくなったりして……私が云ったことで怒ったの——、だめよ、そんなに神經質では……。

——何を云ってるんだよう。オレ、いまはじめて電話に出たんだよ。さっきのは、あれ、オヤジだよ。

——オヤジ? あらっ、あらっ聲がそっくりじゃないの。あんなに似てれば、誰だってそう思うわよ。私がわるいんじゃないわ……。

——お前、オヤジにたいへんなことを云ったんだってね。面と向って(?)やぶだのたけのこだって云われたの、はじめてだって、おどろいていたよ。お前が、アンファン・テリブル(恐るべき子供)だってさ……。

——怒ってた?

——子供に怒りやしないさ、しかしお前はひどい奴だなあ。

答禮として十一月ごろ出發

【東京時事通信】カナダ政府はこのほど外務省に對しディフエンベーカー同国首相が十一月ごろ訪日する旨通告してきた。外務省は十一月にはアレキサンドラ英国内親王の訪日や池田首相の東南アジア四ヵ国訪問があるので、同首相の滞在日程について調整を急いでいる（ディフエンベーカー首相に對して、岸前首相が訪日招請を行なったことがあるが、国内事情のためカナダ首相はその年は訪日を断念した。このほど池田首相がオタワを訪れたさい、同じく日本に招いたところ、都合がつけば十月末か十一月ごろぜひとも訪日したい意向をもらしていたものであるが、いよいよ十一月ごろ、ディフエンベーカー首相夫妻は国賓待遇で日本を初めて訪問することになるわけである）

オ州のセールスタキス實施

オンタリオ州の三%セールス・タキスは九月一日から實施されたが、この新タキス制はいまのところ完全に運營されそうもなく、小賣商もお客もどんな商品に課税されてタキスを徴集し、また支拂うべきかについてアイマイである。しかし當局は九月一日から、とにかく課税對象品にタキスをかけて徴集するよう促しており、まず實施しながらスムーズに運んでいこうというところである。

ケンジー

△デトロイトはトロント以上に活氣のある都會である。モテルで一夜をすごし翌日午前中にロバート・ランデングスと呼ぶセント・クレア湖の北端からフェリーでカナダ側に戻り、税關で簡單な取調べをうけてサーニアに向けて北上した。

△サーニアは人口一万のオイル・タウンで『化學平原』（ケミカル・バーレー）と称され、有力オイル會社がここに精製工場を持っているところ。まずインピリアル・オイル會社が原油から精製する過程に必要なロック・ソルト（塩石）が付近にあるのに眼をつけ、ここに工場を建てたのがキッカケで、他社が續々とこれに見習って、いつしか化學平原と化したわけ。

△水路を通ってくる日本船は、かならずといってよいほど、サーニアにあるカナダ政府經營の人工ゴム會社ポリマーからゴムを積み込むところでもある。一見、壮大なこれら會社の外觀だが、燃え上がらすガスの悪臭はハナについてくる。このタクタクの臭みは南風が吹けば、とてもひどくなるそうだが、この町に住む主婦達は『有難いガスのにおい』として迎えているとのことである。

△主人たちが働くところはオイル會社以外にはほとんどなく、この臭みがつづくかぎり、ブレッド・アンド・バターを意味するからだということであればアバタもエクボということになるのであろう。

日本人の引揚げと移住（四）

（在カナダ臨時大使代理） 鈴木 孝

日本人戰犯の釋放

一九五三年から五五年まで私はマニラに一等書記官として在勤した。しかしそこには日本大使館はまだ存在せず、われわれのオフィスは〃日本政府在外事務所〃と呼ばれた。フィリピン政府は、戰爭中の莫大な被害に對する相當の賠償を日本政府が支拂うのでなければフィリピンとしてサンフランシスコ對日講和條約を批准しない（署名はサンフランシスコ會議のときこれを行つているのだが）、從つて兩國間に國交の回復はない、國交が回復しないことは依然として戰爭狀態が續いていることを意味するから、〃大使館〃の存在は認められない、と主張していた。

それ故〃在外事務所〃として派遣されたわれわれの第一の任務は、なんとか賠償問題早期解決のキッカケを作ることにあつたのだが、なんといつてもフィリピン國民の對日憎惡心がまだまだ强いので、一朝一夕にこの問題の解決の糸口をつかむことは出來ないというのが、われわれ外務省から派遣された者の一致した感じであつて、まずは忍耐を積み重ねつつフィリピン國民の對日感情の好轉をはかるほかないと考えた。

ところが、マニラには賠償問題とは別に至急解決を要する人道問題が横たわつていた。モンテンルパと呼ばれる監獄に終戰時から幽閉されていたいわゆる日本人戰犯百二十名の釋放をはかること、これがわれわれにとつての先決問題であつた。このいわゆる〃戰犯〃の人達は、實は決して戰爭犯罪人ではなく、敗戰に際してもそれぞれの地位に伴う責任を全うせんとして最期などに逃避することを拒み居殘つた立派な軍人達であつた。終戰時フィリピンに殘留していたためにフィリピン民衆のヒステリックな對日憎惡心の對象となり〃戰犯〃の名を着せられて投獄されたもので、日本の〃在外事務所〃が設けられる前に、既に十七名が死刑囚として絞首臺の露と消えていた。

ニュー・パーティー創立大會（七）

佐藤信次

次は大會のため飛來した英國勞働黨々首ゲーツケル氏紹介されて登壇。彼の演說の要點は『西歐諸國も共産國も共通な一點を持つ、それは何れも抹絶されることを避[illegible]である。我等は會に平和的解決に努力すべきこと、ネートーも西歐同盟も共に平和のため强力な機關たるべきこと。現代は傳統的中立國と雖も西歐同盟の保護なしには危險にさらされること、ネートーに加入して居なくともこれらの支持なしにはロシアの壓力と侵略にさらされること、ネートーは原子武器を未所有國に擴散することをさけて、これらにたよらない政策を立てる方向に改革すべきこと、今は社會主義と共産主義との差は社會改革の上には見出しにくく、ただその結果の上に存する。それを一口で言えば、我等は自由を信じ、彼等はそれを否定する、となり、この大會は幾百万の民衆の熱意と支持とを集中してカナダの政治史上に巨大な一歩を踏み出したもので、私は、共に手をとつて同じ理想の下にこの大運動を進めることを誇る』と結んだ。

彼の演說を初めて聞いた私は、少數左翼を包合して大きく成長しつつある英國勞働黨のこの指導者は、現實主義的社會主義者であるとの感を深くした。

新黨と移民政策

今後は幾多の議案を處理して豫定通り四時半に閉會する筈なので、私は都合上締りまで止まらなかつたが、カナダの移民法に對する黨の態度にだけ言及してこの稿をとじたい。

新黨準備全國委員會が一般の研究用に作製した最初の政策原案には移民法にふれる所がなかつた。昨春のウィニペッグで開催したシーシーエフ・勞組合同の新黨研究協議會で私は、人種偏見の上に立つ移民法の修正と計畫移民制に關する提案をし、これが通過して全國に送るマニトバの議案の中に加えられた。この大會に提出された全委の新らしい政策原案にこれが含まれて居り、それが通過したことを喜ぶものである。

◇

五日間の會議を忠實に報告するには大冊の本となるであろう。私のこの報告は大會のハイライトの中のほんの一端に過ぎない。

私はこの新民主黨に多大の希望を持ち、その成長に微力をそそぎたいと思つている。それと共にカナダ改革史上に劃期的な新ページを書きつつあるこの黨に多くの人々の關心を希望する。新黨の政綱はシーシーエフのレジャイナ・マニフェストの如く一般人に難解な理論の形をとらず、讀めば誰にでも容易に理解できる様に平易に說いてある。いづれ小形のパンフレットとなつて大衆に親しまれることと思うが、その時は是非手に入れることをおすすめする。

日系代表としては他にアルバータ州クロース・ネストパスの岩佐カズ氏が出席した。レジャイナの生山トム氏とは同車であつたが氏はダグラス氏の本部で同氏の補佐に盡力しつつ大會に毎日顔を見せて居つた。ウィニペッグのマックリン氏夫人妙子さんは補欠代表として出席、夫君を補佐して活躍して居つた。

オンタリオ州シーシーエフ總合會の事務所で働いて居られるトロントの三池夫人やオタワの清水ケイ夫人とも會場で會つた。（終）

核兵器の實驗を ソ連再開と發表

カナダは放射能害につき憂慮

【モスクワ發】ソ連政府は帝國主義國群から壓迫されて核兵器の試驗的爆發を再開することになつたと今週發表した。ソ連發表は『ソ連の科學者は今までにテストされたことのない巨大な威力を持つ原子力爆彈を試驗する準備を整のえている』と警告しているが、この巨大爆彈は『人類滅亡』に相當するもので、三年間は核兵器テストを行なわないとする誓約を自から破棄したため、またしても核兵器競爭時代に逆戻りしたと英米側ではソ連のテスト再開をきわめて重視している。

【ワシントン發】ソ連發表に對するワシントンの反響としては、ケネディ大統領は直ちに外交、軍事および議會リーダーを網羅する"非常會議"を召集して、これに對處することになり、米國も核兵器テストを再開しようという意向である。

【オタワ發】カナダ政府は今週の閣議で、ソ連の核兵器テスト再開について重要懇談すると共に、外交、軍事リーダーの意見を聽取したカナダとしては東西兩強力國が、負けず劣らず核兵器のテストを行なうことによる放射能灰の危害について深く憂慮している。

日本の反響

【東京發】ソ連の核兵器實驗再開の發表に對する日本政府筋の反響は『フンガイと遺憾』を直ちに表明したものである。そしてソ連が實驗再開について再考慮し、それを放棄することを強く促すものである。

『月』の占有權 ソ連にありと

【東京發】目下開かれている國際宇宙會議席上、專修大學の自然科學者、池田文雄博士はソ連が月の裏側を撮影したことだけで、ソ連は月自体の占有權を現在の國際法にてらして主張しても差し支えないと語つた。

カナダの「墮胎法」は 時代おくれも甚しい

【晩市發】カナダの時代おくれの『墮胎法』を修正または改正しないかぎり、不法墮胎手術は跡をたたず、このため多くのニンシン婦人が生命を今後も失いつづけるであろうとビーシー醫界主事マッロイ博士がオタワ政府に訴える談話を今週行なつた。

◇現在の墮胎法によると、合法的な墮胎はほんの特例だけで、たとえばニンシンによつて女性の健康を害したり、また強姦されてニンシンした婦人は一日も早く墮胎したいというケースがあるにも拘らず、これは違法だというので、ドクターたちはまつたく手の下しようもない有樣だと同博士は指摘している。

◇墮胎を不法的に行なうということによる人命被害とヤブ醫者逮捕というようなことは、現代的でなく、むしろ有資格のドクターによつて公然とこの手術を行なわせることは科學的であつて、道義的な問題ではないと同博士は主張している。

【東京時事通信】池田首相は今週、首相官邸に小坂外相大平官房長官、鶴岡外務省國連局長、伊關同アジア局長、島外務審議官を招き、今秋の國連總會における中國代表權問題に對して政府のとるべき態度を協議したこの會合では主として外務省がとりまとめた總會に臨む各國の基本方針、國連總會と代表權との關係、總會における見通しなどの問題點を報告したにとどまり、日本が總會でどういうのような態度をとるかの最後的な方針は今後小坂外相が出發するまでの間にさらに檢討を續けることになつた。

「ミカン女王」選び

全加に日本味覺を宣傳行脚

◇日本の特產輸出といえばまずミカン。カナダ人のあいだに『種がなくてあまくおいしいマンダリン・オレンジ』とうけられているミカンを今シーズンは昨年を上回る數量にしてカナダ市場に送り出したいというのが日本園藝農業協同組合連合會の願い。

◇そこで新しい市場開拓と話ばつなピー・アールをネラう計画がトロントのトレード・センターで組まれており、全加から『ミカン・クイン』を選んで、テレビおよびラジオ放送、インタビューに應じさせようということになつている。

◇『マンダリン・オレンジ・クイン』の應募資格者は日系カナダ孃で、英語を流暢に話し得て、しかも日本語もできればなおさら。年令も十八才以上二十五、六才というところ。俸給付きで全カナダの主要都市を九月中旬からまわるのであるが『私こそは…』と思う者はトレード・センターに申し込むこと。

アルゼンチンの小學校名「日本」

【東京時事通信】アルゼンチン駐在の服部臨時代理大使はこのほど外務省にブエノスアイレス州の國立第二百三十六小學校が"日本小學校"と命名することにつき許可を求めてきた。外務省は近く許可を與えるが、同校は九月十一日の開校記念日に"日本小學校"を名乗ることになる。なお同國は友好國の名稱をつけた小學校が多い。

【オタワ發】カナダ弗の對米爲替レートがさがることによつて、對米輸出產業は利得することになるが、この儲けをネラつて勞組側では一〇%の賃銀値上げを要求する運動を開始した。

米國内の有色人の差別

【國連發】九月十九日に開かれる國連總會に問題として持ち出すため、國連メンバー國の三十九の有色人種國代表者はアジア國代表者と相談して、米國内における有色人國代表者の『差別的不當待遇』について米國政府當局より滿足的釋明を求めることを今週きめることになつた。もしそうなればソ連はじめ共產國が主要する『國連本部を米國以外に移す』運動に拍車がかけられることになるとして成り行きが注目されている。

歐州駐屯 增兵一万

カナダが考慮

【オタワ發】カナダ政府は休會明け議會に、カナダのネイトー軍力を現在の制限數十二万から一万ないし一万五千增員する要求を提出することになつている。これはベルリン危機に備えるものである。また歐州駐屯のカナダ軍の一部は交替歸國のはずであつたが、これも變更されて來年春まで引き續き駐屯させることになつた。

佛國のアルプス山中で 宙ぶらりの觀光客救出

【フランス、シャモニー發】フランスのアルプス山中の山腹から山頂につながる觀光客用ケーブル・カーのケーブルに、山中低空飛行訓練中のフランス空軍ジェット戰斗機が一瞬間接觸したため、ケーブルはアッという間に切斷され、ケーブルカーに滿載の觀光客が空中高く宙ぶらりんとなつた事件が今週突發した。

◇ケーブルが切斷されたさい、カーから山中に落ちて死亡した者六名、あとの八名は身動きもできないでカーのなかに閉じこめられたままであつたが、大がかりな救助作業が行なわれ、全遊覽客はやっと無事救出された。

◇なにしろ海拔一万五百呎もある高山にかけられたケーブル・カーが宙ぶらりんとなつたので、乘客は生きた心持ちではなかつたというが、さいわい天候がよくて救出作業に支障を來さなかつた。

By NORMAN HACKING
Vancouver Sun

VANCOUVER. — The Fraser River pink salmon run, which should have been at its peak this week, has proved an almost complete wash-out. About 120 gillnetters in the Strait of Juan de Fuca netted only 48,000 fish in two days' fishing, which is hardly enough to meet the fuel bill.

The setback in the Fraser run was particularly surprising because of the very big pink runs in the central B.C. areas.

Streams adjacent to the Fraser are also good, with excellent runs reported to Jarvis inlet, Howe Sound, Indian Arm and Puget Sound. This week gillnetter fished all along the West Vancouver shore, almost to the mouth of the Capilano.

Seiners in the Strait of Juan de Fuca expected to average 1,000 fish to a set. Instead they hauled in only a dozen or so at a time.

The poor Fraser run is attributed to adverse hatching conditions in 1959 in the Thompson-Seton Lake area, where the bulk of the early pinks spawn.

In order to protect the pink escapement, the International Pacific Salmon Commission has recommended a closure of all Canadian and American convention waters next week, except the Fraser River.

Since pink salmon will not be entering the Fraser in any sizable numbers during the coming week, fishing in the river will be permitted for a period of 48 hours, commencing at 8 p.m. Monday. This will permit the harvesting of other salmon species.

The commission met to consider any further regulations needed to conserve the Fraser River salmon runs. The late pink runs, bound for the Harrison and Pedder systems, are expected this month.

Canadian Cattle At Ex Get Favorable Verdict

TORONTO. — Canadian Holsteins at the Canadian National Exhibition got a critical once-over this week from a group of Japanese cattle buyers and the verdict was favorable.

Yoshifumi Utsunomiya of Fukuoka, Nobuo Yamada of Mie and Atsushi Kudo of Mineoka said they would buy a number of the animals to add to breeding stock in their areas of Japan. All purchases will be made through Thomas Hays of Hays Farms, Oakville, after the Japanese group has visited farms in various parts of Ontario.

The three have made buying trips to Canada before, but this was the first time they had been to the CNE. The size of the Holsteins at the show impressed them, and so did the size of the CNE itself.

Canada, they said, is considered by Japanese to be the world centre for breeding good Holsteins.

The animals bought during this trip will be used in a herd improvement program, which started last year with Canadian imports when a license was granted for commercial imports of Canadian Holsteins by the Japanese Government.

The trade delegation, in Canada as guests of the Department of Trade and Commerce, makes as many as two trips a year to buy cattle, but purely commercial buying did not start until 1960. Previously small purchases were made for special purposes.

There are no shows of the CNE size in Japan, the men said, but shows are held for individual breeds. Last spring G. M. Clemons, secretary-manager of the Holstein Friesian Association of Canada was a guest at the Japanese Holstein show.

Bridge To The Sun

"We will have much to endure, but we will walk through a few doors and open a few windows together—and that will be our compensation."

Gwen Harold, pretty small town girl from Tennessee, listened carefully 31 years ago as a young Japanese diplomat, Hidenari Terasaki, spelled out their future.

She had already agreed to his proposed East-West marriage.

After her husband's death in 1952 Mrs. Terasaki wrote a poignant account of the door they had walked through together, despite a bitter war between their two countries.

WEDDING PRESENT

The documentary was a wedding present to their Nisei daughter Mariko. Her son-in-law Wayne Miller, Casper, Wyo, read it and thought it should be published. Later MGM read her book, "Bridge to the Sun," and felt her harsh, sweet love story should be filmed. It was shot in Japan recently with Carol Baker playing Mrs. Terasaki's part.

Still none of the resultant fanfare had disturbed the serenity of the now silver-haired grandmother, who smilingly used to kick Nazis in the shins under diplomatic tables.

"I learned much from Japanese women—an acceptance, a resignation, a pride in being feminine," she says.

TYPICAL U.S. GIRL

She readily admits that as typically independent American girl she had some difficulty adjusting to the Oriental premise that "Man is the oak, women the vine."

But as the vine Gwen Terasaki agreed to let her diplomat husband chance their lives in a plot to circumvent Japanese jingoists in hopes of averting war. The plot somehow failed, and so did the peace effort.

As to vine Mrs. Terasaki sorrowfully turned her back on her parents and beloved country to suffer with her man the bewilderment of interment, the horror of bombings and near death by starvation.

THE "BRIDGE"

Mariko, the bridge between her parents' respective cultures, grew up beyond her years, often ill and afraid in their world of want and war.

"My husband, Terry, was always trying to build bridges of understanding between my country which he so admired, and his country which he so loved," she sighs.

After her book was published, Gwen Terasaki returned to Japan to continue to build bridges of understanding. She gave speeches to dispel the common conception that American women with their push-button appliances are spoiled, lazy and neurotic.

"American women are the hardest working in the world," she told the Japanese. "They are not only good mothers and wives, active in the PTA and civic enterprises, they often hold down outside jobs, besides."

She also does her part in this country to present a Japanese husband-wife relationship in a truer perspective.

"The wives are tender, faithful, hard working, but they henpeck their husbands in a subtle way, too. They are submissive about many little things but are adamant about things that really matter to them.

"A Japanese man is usually loving and faithful, but he talks down to his wife. He must go outside his home to find a listening post because the wife often is not on the same intellectual level.

"TERRY'S FOLLY"

"I was called "Terry's Folly," by the Japanese at first because they thought I, as his American wife, would stand in the way of promising career. But many of them confessed later they envied our marriage based on love.

"Terry and I were good friends. He could talk to me and I was privileged and honored to feed the flame of this great man.

"I think mixed marriages that work are those based on common intellectual interests and understanding."

This was the hopeful message she passed along to her Nisei daughter when she married a bright young attorney from Wyoming.

Calm Japanese Thief Robs American Woman

TOKYO.—A calm Japanese thief, posing as a railroad conducter, robbed a Salem, Ore., school teacher of her passport, cash, jewelry and an around-the-world air ticket.

Mrs. Mathilda Gilles, who said she was principal of a Salem high school and president of the Oregon Education Assn., said she was robbed last week.

"I had just boarded a coach at Tokyo station when a Japanese man approached me, examined my tickets and told me to follow him to a first class coach," she was quoted by a local newspaper as saying. "He sat behind me in the empty car. A minute later he and my handbag were gone."

She said she attached "great personal value" to a notebook, three diamond rings and film in the handbag along with other items.

Husband Stabbed To Death By Mistaken Lover

TOKYO.—A Japanese husband in Nagoya was stabbed to death by his brother-in-law's sweetheart when the woman mistook him for her estranged lover.

The victim, Kiyomi Suzuki, was sleeping in his brother-in-law's bed at the home of relatives when the girl crept into the house and stabbed him to death.

Her lover was sleeping in an upstairs room at the time.

The girl sought revenge after she was deserted by her sweetheart when his parents objected to their marriage.

WORLD TRAVELLER REALLY "CLEANED" IN BATHHOUSE

TOKYO.—World traveller Walter Kupper of Germany really got cleaned at a Japanese public bathhouse.

The Essen confectionery worker lost his pants, passport, money and pride recently while bathing at the Tokyo Onsen bathhouse. But he was happy today.

Today he had a new pair of pants, had his money replaced by soft-hearted newspaper readers, was getting a new passport and was only a little sheepish about the whole affair.

The 32-year-old Kupper had put his clothes and valuables in a locker at the bathhouse but while he was bathing a thief broke into the locker and made off with all his meagre possessions. An English language newspaper published a story about his plight and quoted him as saying he would have to cut short his planned stay in Japan.

After the story was published donations began to come in from readers.

"Now I have received more than the amount of money I lost," Kupper said in an interview with the Japan Times. He said a Tokyo professor gave him a wrist watch. A merchant in Osaka contributed 30,000 yen (about $85). A small girl contributed 200 yen (about 60 cents). And a Tokyo tailor tossed in a pair of pants and that helped sage pride. All told, he collected about $300 and received more than 100 letters from sympathetic Japanese.

The West German embassy is issuing him a new passport and a travel firm is re-issuing his travel ticket.

"I have no problems now," said Kupper.
